

# Streamlit for Education

## Streamlit Student Ambassadors

Spring 2023

# Streamlit for Education

Streamlit for Education aims to enable educators and students to use Streamlit in the classroom.

The first cohort launches in January 2023 with two paths:

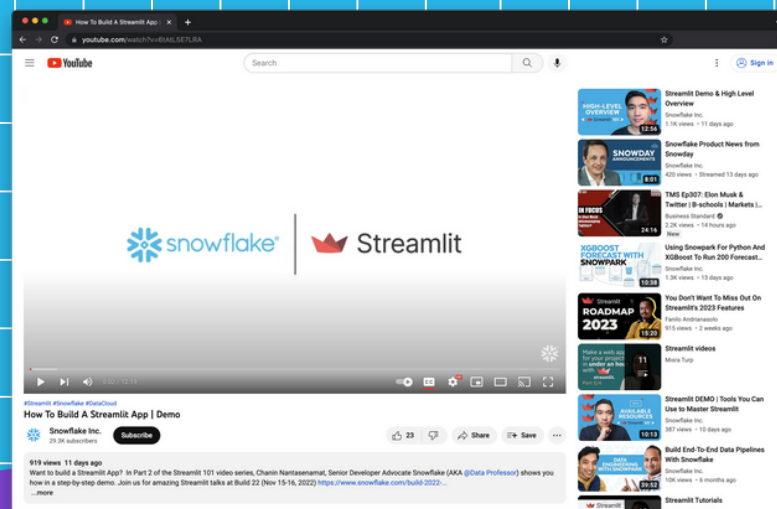

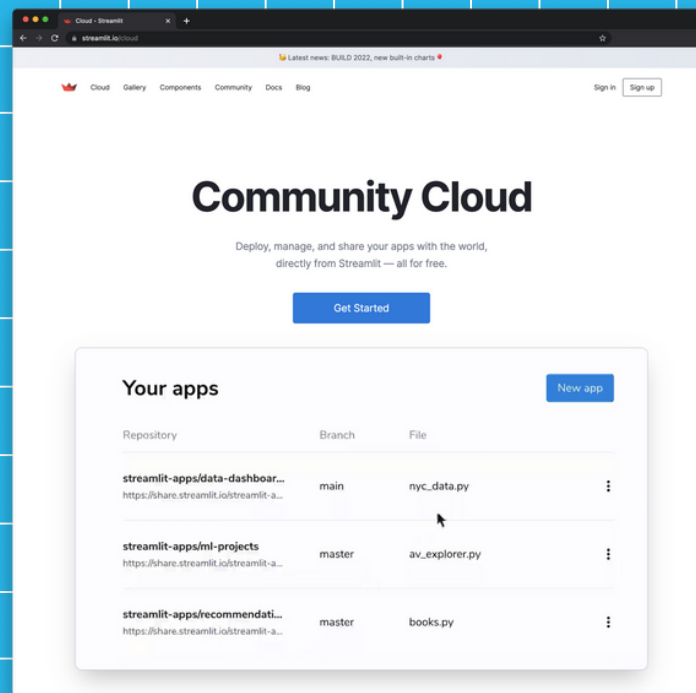

**Streamlit Educator Ambassadors**

**Streamlit Student Ambassadors**

# Streamlit Student Ambassadors

## Benefits

- Complimentary hosting for apps used for school assignments, hackathons, and portfolios
- Streamlit educational resources such as videos, courses, tutorials, and example apps
- Discord channel for students using Streamlit
- Support for hosting Streamlit workshops
- Streamlit swag!

## Streamlit Student Ambassadors

**In return, we ask that you:**

✓ Share Streamlit apps you've created on social media and tag @streamlit

✓ Share your thoughts on how to improve the Student Ambassador program

*What if I'm new to Streamlit?*

All skill levels are welcome! We'd love to help you build your first app.

# Next Steps

-  Apply to become a Streamlit Student Ambassador [here](#).
-  You can expect to hear back from the Streamlit team in 2-3 business days.
-  In the meantime, check out [our forum](#) and join our [Discord server](#)!
